September 2018

We are currently forecasting space in all of our preschool programs at both our Bridge Street and Georges Vanier campuses for September as many of our preschool children move on to "big school". If you or someone you know is looking for a preschool space in September please call Debbie at 613-962-3474 for the Bridge Street campus or Lori at 613-969-8316 for the Georges Vanier campus. We would love for your child to join our First Adventure Family!

First Adventure is currently working with a local web design company and focusing our efforts on rebranding our logo and website. We have hired a photographer to capture the true heart of First Adventure as an organization and the large community family that we have developed. Stayed tuned for more information about this exciting venture.

### The Warmer Weather has Arrived

We are asking all families to make sure that their child has at least one full change of seasonally appropriate clothes in their cubby including a hat, light canvas shoes or closed toe sandals with a heel strap and a towel. Getting wet is a part of the cooling down process during the summer heat.

## Outdoor Adventures

We have planted our veggies in the outdoor garden in the preschool playground and the children are very excited to watch the veggies grow. Everyone will have the opportunity to sample most of the vegetables after they are harvested.

## SCRIP Program

The next gift card order goes in on Tuesday, August 7. Please forward your orders to Mary Ellen in the office no later than 4:30 on Thursday, August 2 if you would like to help First Adventure in this fund raising venture. Gift cards for grocery stores, gas stations, restaurants, and retail vendors are all available. Contact the office if you would like more information about how this program works and how you can help out!
